Subject: AARP Supports More Public Hearings on SW Gas Rate Increase

Honorable Sandra D. Kennedy
Commissioner
Arizona Corporation Commission

Dear Commissioner Kennedy:

Thank you for bringing to the consideration of the Commission possible additional public hearings on the Southwest Gas Rate Proceeding (Docket No. G-01551A-10-0458).

AARP Arizona is in wholehearted support, and respectfully requests more public hearings be scheduled.

Should the Commission decide to hold additional public hearings, AARP Arizona will be happy to use our resources to help inform those in these areas of the hearings and encourage their participation.

AARP appreciates any willingness on the part of the Commissioners of the time and trouble to take into consideration a wider range of the views of those potentially affected by increased rates.

In view of the difficult decisions faced by the Commission, AARP deeply appreciates all the Commissioners' hard work and leadership. Thank you.

Cordially,

David Mitchell
Arizona State Director
